Source

AI Engineering Fluency Extension:

- VS Code
- Visual Studio
- JetBrains editors
- NPM package

<https://marketplace.visualstudio.com/items?itemName=RobBos.ai-engineering-fluency>

Progression through surfaces

Single window, single branch, single session

Agent
Mode

Hands-on, testing and
guiding

CLI

On machine use cases, or
with a terminal on the side
for executions

Cloud
Agent

1. Well written user story,
with mature codebase
2. GitHub Mobile

Sessions galore!

GitHub
Copilot
App

Multiple concurrent
sessions at the same time

Agent merge

GitHub Copilot Surfaces

My leveling up with AI
